EXPERIENCE

2020-2021 | **Frontend Developer**

I'm a Web Developer. I have been working for 6 Month in this field and have expertise in web designing. I love to do creative things and have grip on HTML, CSS , Javascript, Bootstrap, Asp-net. I can also create prototype of websites, mockups, PSD to HTML & UI.

Skills

Ahmed Hussain

Frontend Developer

PROFILE

Working gives me many skills and experienced that I believed make me best suited for the job position that is being with a position of Frontend
